

## PaperSAFE® Deskside Shredder

The Dahle PaperSAFE® PS 260 Deskside Shredder is oil-free, hassle-free, and easy to maintain. It features quiet operation, automatic jam protection, and a thermally protected motor to prevent overheating. This P-4 shredder produces a  $\frac{1}{8}$ " x  $\frac{7}{6}$ " particle size and holds up to 7 gallons of shredded waste. It's ideal for destroying financial statements, tax information, or any other confidential documents that should not be seen by others.

## Features | Benefits

- Oil-Free / Hassle-Free shredding maintains performance without maintenance
- Automatic jam protection reverses motor in the event of an overfeed
- Shreds CDs/DVDs, credit cards, paper clips, and staples
- Thermally protected motor prevents shredder from overheating
- Convenience features include simple controls, automatic on/off, and an easy-empty waste bin
- German engineered for quality and troublefree operation

Convenient, easy-to-use controls for simple operation.
