# P6500
PAPER FOLDER

The P6500 Letter Folder is ideal for use in small mailrooms, offices, churches, and more. Its small and convenient size is perfect for desktop placement. Sets of 1-3 sheets, stapled or non-stapled, are automatically folded when hand-fed. This easy-to-use paper folder can fold up to 2,200 sheets per hour, making folding easy.

- Capable of folding 8.5" x 11" letter size paper
- 18 - 24 lb bond (68-90 gsm)
- Fold Types: Letter and Half
