

FEATURES

- Folds up to 241 sheets per minute
- Performs six of the most common folds and custom folds
- Cross folding feature for right angle folds
- Ascending and descending count
- Test button folds two sheets for inspection
- Interval/batch modes
- Compact, reliable and energy saving

The DF-850 Tabletop Folder offers a fast, affordable and user-friendly solution for your folding needs. Fold documents such as brochures, menus, letters and invoices at up to 241 letter size sheets per minute. Perform single, double, half accordion, letter, accordion, and gate folds. Cross folding for right angle folds is also possible.

With a patented friction feed system and adjustable paper and feed separator pressure controls, a wider range of paper stock up to 157 gsm can be fed with increased accuracy and consistency. Non-stop productivity is also ensured with an ascending/descending counter and a 500-sheet feed tray capacity. The DF-850 makes folding quick and easy, making it ideal for offices, churches and schools.
