### HIGHLIGHTS

---

#### **Maximize Impact**

Superior quality motors provide high lamination speeds resulting in faster finishing

#### **Easy To Run**

Convenient idle bars, simple one touch industrial controls & pneumatic rollers

#### **Superior Service & Minimal Maintenance**

Resulting in lasting quality you can rely on

Ideal for Sign & Print businesses, Transportation & Traffic, schools, offices and more!

# Paramount 65X

## Pneumatic Laminators

The next evolution in wide format lamination, the Paramount 65X uses pneumatic pressurized rollers to ensure wrinkle free lamination

### Paramount 65X (65")

- Mounting up to 1" (3 rigid media guides standard, 1/8" increments)
- Sure-Set tension controls for repeatable supply tension
- Fast lamination speeds up to 20 feet per minute
- Foot pedal & rear remote standard

Backed by over 30 years of industry experience, the 65" Paramount 65X Pneumatic Laminator by Royal Sovereign utilizes pneumatically pressurized rollers to ensure trouble free lamination. With maximum speeds reaching nearly 20 ft./min. (6 m./min.) and included rear rewinder and front feeder, the Paramount 65X sets the standard for wide format laminators. Safety features include a photoelectric eye and easily accessible emergency stops. The heavy duty foot pedal and the stylish rear facing remote allows for hands-free operation especially useful when mounting substrates up to 1" (26 mm) in thickness. The "SureSet" tension control knobs enables users to set a repeatable amount of supply tension. The Paramount 65X is the next evolution in a long line of industry leading laminators by Royal Sovereign.

Model	Paramount 65X
Width	65"
Speed	20 ft./min.
Maximum Mounting Gap	1"
Heat Assist	Yes
Cold	Yes
Rear Remote	Yes
Front Feeder	Included
Rear Rewinder	Included
Film Thickness	1 mil - 10 mil
Dimensions (WxHxD)	86" x 36" x 58"
1 Year Warranty	✓

Air compressor included w/ purchase)
