

GBC® CombBind® C20E, Electric, Binds 320 Sheets, Punches 20, Jam Free

7706173

Product Description

Bound documents give a positive first impression to your audience and lend an upscale, finished look to your work. The C20E electric binding machine uses CombBind spines to quickly punch and bind for professional looking results. Binding operation is simplified by user-friendly features including a color coded document and spine size guide, punch alignment sensor and more.
