

# GBC 3 Mil, 80' Auto-Threading Laminating Film Cartridge Refill For Foton 30

FOTONC003

## Product Description

Change the way you laminate. Our film cartridges are auto-threading, so there's no need to open individual pouches or web film into place. Just drop the cartridge in your laminator, close the lid and you're ready to go.

## Features

- Auto-threading cartridge simplifies the film loading process
- Cartridge loads into laminator one way, which eliminates loading errors
- Glossy finish helps emphasize colors in documents
- 3 mil thickness protects documents while retaining moderate flexibility
- Standard size 3 mil cartridge has 80' of film and laminates approximately 100 letter size sheets
- Cartridge is compatible with GBC Foton 30 Laminator, sold separately
